BOOK MAKING

My four year old grandson helped with the collage for the front and back cover of the book...

DINOSAURS? JUST LIKE US

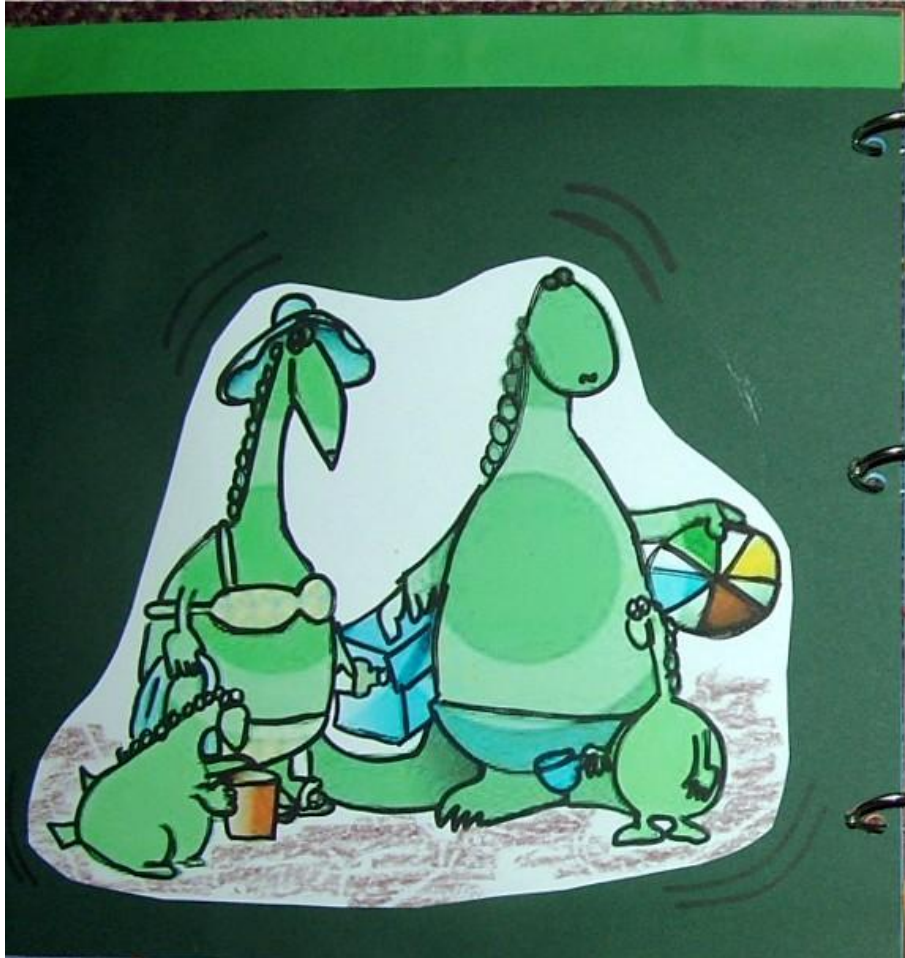

Deep in the land
of make believe,
Dinos stand out from the
rest.

They have jobs and
school and families

That's what they do best!

Vacation-asaurus tours
the world,
By boat, by train, by car,
Disneyland, SeaWorld
and the beach,
Their most favorite spots
by far!

**The Dentist-asaurus
keeps your teeth,
Nice and sharp and white,
He'll find no cavities
today,
You brushed them every
night!**

**Ballerina-asaurus twirls
on her toes,
And balances with care,
She spins and dips and
jumps real high,
Way up in the air!**

School Nurse-asaurus
takes care of us,
When we start to feel sick,
She takes our temperature,
then calls our mom,
To take us home really
quick!

**Basketball-asaurus loves
basketball,
He throws the ball up at the
net,
He misses his shot, but he
doesn't feel bad,
He will try, try again you can
bet!**

**Chef-asaurus cooks all
day,
There's nothing that she'd
rather do,
Soups and salads and
healthy stuff,
Is what she'll cook for you!**

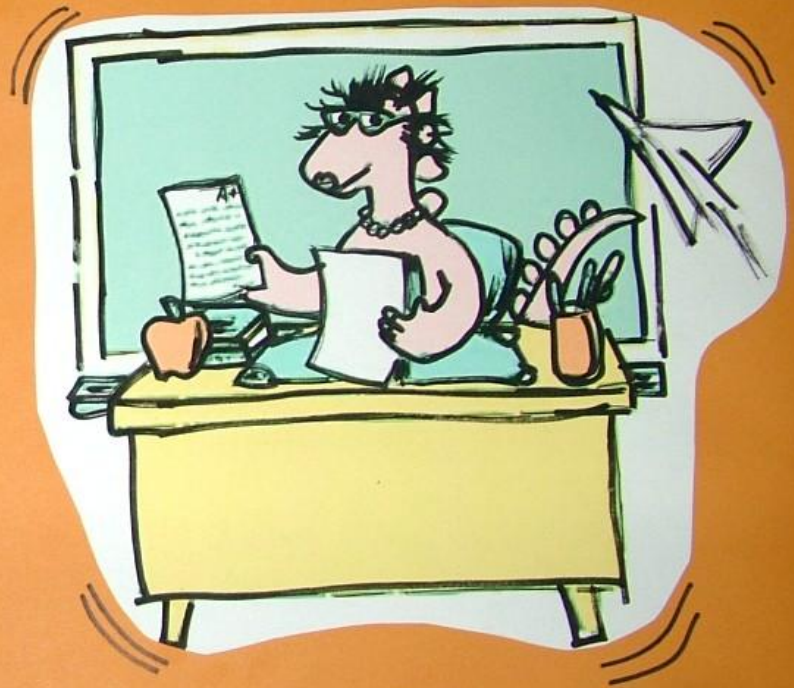

Police-asaurus roars his
cycle,
Along the roads and streets
He zooms in and out of
traffic,
Giving tickets to speeders
he meets!

Superstar-asaurus plays
guitar,
Screeching and hollering
He sings a song that we
know,
We help him scream and
shout!

Teacher-asaurus talks all
day,
Writing on dusty chalk
boards,
She teaches A, B, C's and
1, 2, 3's

Making imaginations soar!

Speed Racer-asaurus
goes around the track,
At a really, really fast pace,
He passes the other cars
really quick,
And always wins first
place!

Doctor-asaurus
will see us when we feel
really ill,
He pokes and prods and says,
"Aha!"
Then gives us shots and pills!

**Mommy-asaurus
is a busy mom
watching little dino's all day,
She gives them
hugs and lots of love,
And listens to what they say!**

Daddy-asaurus
is glad to be home
To see his family,
He worked all day but
now he is here.
And here he is happy to
be!

Now you know dino's are
just like us,
Having families, jobs and so,
Next time look closely at
those you meet,
If it's a dinosaur, you will
know!

MY NINE YEAR OLD GRANDSON READING THE BOOK TO THE OTHER GRAND CHILDREN...

AZ EARLY LEARNING STANDARDS

Language and Literacy Standard

STRAND 1: ORAL LANGUAGE DEVELOPMENT

Concept 1: Listening and Understanding

The child listens with understanding to directions, stories, and conversations.

During the preschool years, children learn language more quickly than at any other time in their lives. **Indicators:**

b. Follows directions that involve (A series of unrelated sequences of action.)

Physical Development, Health and Safety Standard

STRAND 1: PHYSICAL AND MOTOR DEVELOPMENT

Concept 3: Fine Motor Development

The child uses fingers and hands to manipulate tools and materials.

Developing fine motor skills is an important foundation for other developmental areas such as cognitive development, artistic expression, daily living skills and handwriting.

Indicators:

a. Uses hands and fingers to manipulate a variety of tools and materials.

Science Standard

STRAND 1: INQUIRY

Concept 3: Analysis and Conclusions

The child forms conclusions about his/her observations and experimentations.

c. Identifies cause and effect relationships.

d. Forms logical conclusions about investigations.
