*Let's make her feel welcome!*

## Dear parents!

You are your child's first teacher. Keep up the good work by reading and talking to your children about what they are doing in and out of class. Give your child the investment of your self, the results will last a life time...

## Events: Photos and fun!

❖ On January 6, we had Snow Day. Snow was brought in on big trucks. We all dressed up really warm and had fun sledding and throwing snow balls at our friends and teachers.

❖ February 13th was our special Valentines Day party. We had so many parents come and spend time with us. We made heart shaped envelopes to bring home all of our Valentine cards and special treats.

❖ February 24th was our annual Rodeo Day. We had pony rides, a petting zoo, barrel rides, panning for gold and much more. As well as a Cowboy lunch with all our students and parents.

These special activities could not have happened without the parents who helped!

Our class is learning the words to the American Pledge of Allegiance, and the Christian Pledge of Allegiance. Please help them practice at home.

"I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands: one Nation under God, indivisible, With Liberty and Justice for all."
